With reference to your office Memo NO C 262 of 32-33 dated the 12th ultimo forwarding for information and needful action a copy of letter No D3 461 of 29-30 dated 7-12-1932 from the Industrial Assistant in Mysore, Bangalore, addressed to you in the matter of paying the balance of money due for the scheme of water-supply to Tiptur etc, I beg to state that as per re-revised estimate of the scheme of water-supply to Tiptur, only half the cost of the scheme i e Rs 26,417-8-0 was to be paid by the Tiptur Town Municipal Council, whereas the council have already paid Rs 28,530-11-0 upto date towards the scheme as detailed in the margin*

This shows that the council have paid more than what they were expected to contribute The other half cost of the scheme i e Rs 26,417-8-0 was to be paid by the Govt as their quota or cost as per G O No L 4857-62/11 200-30-13 dated 7-1-1932 but they paid only Rs 8000/- during last year towards this scheme The balance of Rs 18,417-8-0 will have to be paid by the Govt in two yearly instalments Hence there is absolutely no reason for the Industrial Dept to demand further payment of Rs 3000/- which is said to be the balance due from the Tiptur Town Municipal Council

Under the above circumstances, I beg to request that the matter may kindly be referred to the Govt so that the balance of quota of cost of the scheme may be paid early
